**Scientific Program:** The duration of COPEC Flash Week 2022 will be four days, with all technical sessions at WCSEIT2022 being held on November 23. All presentations will be online on-time. The scientific program will include:

- . Workshops
- . Plenary Sessions
- . Oral presentations
- . Panels and Round-Table meetings

**Paper submission:** Prospective participants are invited to submit by homepage one paper. After the notification of acceptance of the paper, the author should send and submit the Full Paper or the WIP, via home page according to the models. Details for submission, including templates, are available on the congress homepage: <https://www.copec.eu/wcseit2022>

A Work-in-Progress Paper (WIP) must have four-page maximum. A WIP describes preliminary developments of an on-going project at an early stage that involves state-of-the-art status, implementation, creative pilot programs, or nontraditional concepts. It must contain the details of the scientific and/or educational feasibility of the project, including expected outcomes.

**Proceedings and Book of Abstracts:** The proceedings and the book of abstracts of the congress will be published online and will be available at the time of the congress. Both will be registered in ISBN with international validity; besides, the proceedings have ISSN because they are also a periodic. All published papers will have DOI (Digital Object Identifier).

**Congress Language:** English, Spanish and Portuguese will be the official Congress languages.

Workshops: During the Congress, some workshops will be offered. The Full Program will be available at the homepage <https://www.copec.eu/wcseit2022>

**Objectives:** This conference will provide a major international forum for the exchange of information on research and recent developments towards the improvement of all Systems Engineering and Information Technology fields. During the Congress, the integration between the worldwide market and Systems Engineering and Information Technology areas will be discussed the curriculum guidelines as well for applied ITC.

**Topics:** The Congress topics include, but are not limited to:
